

AROMATIC MALT

Stonehelm.co.uk Malt Index

Grown in:

Belgium

Description:

Aromatic malt provides a very strong malt flavour and aroma. Although not a roasted malt, it is kilned at close to the maximum possible temperature of 115C until the desired colour is obtained. Perfect for any beer in which a high malt profile is required and can be used in fairly high quantities as some diastatic power is retained.

Max Percentage of Mash:

20%

EBC:

150 - 160
